Directions:

1. Using the Ornate Frames Dies, cut three decorative panels (as shown), one in each color--Pool Party DSP, Pear Pizzazz and Poppy Parade.
2. Using the Old Olive ink pad, stamp the large floral image from the stamp set onto the 3x5-½" piece of Pear Pizzazz DSP toward the left side of the panel. Attach to the Z-fold base card.
3. Using Old Olive ink pad, stamp a portion of the floral image onto the die cut panel of Pear Pizzazz cardstock.
4. Using a Poppy Parade ink pad, stamp a portion of the floral image onto the Poppy Parade die cut panel of cardstock.
5. Attach stamped die cut panels onto the front of the Z-fold base card using dimensional adhesive.
6. Stamp the sentiment using Poppy Parade ink on the Basic White sentiment panel. Fish tail the right side of the sentiment strip with scissors (or your Tailored Tag Punch). Attach this piece to the card front on the Pool Party die cut panel using tape runner adhesive.
7. Add a few Red Rhinestone Basic Jewels to the card---one to the sentiment strip and two others to the card base.
8. Attach the partial circle to the interior of the card under the front flap using tape runner adhesive. Make sure the flat edge of the circle is up against the interior fold.
