## Seashells Fun-Fold Card Kit + Tutorial - featuring the Friends are Like Seashells stamp set

In this class tutorial you'll create 6 beautiful FUN FOLD cards (2 each of 3 different designs) in a fresh, summer theme! Kit includes 6 fun fold, pre-cut card bases with envelopes and extra cardstock for stamping shells. It also includes a bolt of ribbon and a full embellishment. In addition to the supplies provided, you will need adhesives and scissors, plus ink pads in Sahara Sand, Misty Moonlight, Petal Pink and Soft Succulent (or something similar). Dies and embossing folder that coordinate will not be needed to complete the cards for the class, but they are great to have for other projects and I highly recommend them. Purchase them with the class and I pay tax and shipping!
