Directions:

1. Using Real Red ink pad and star stamp from the stamp set, randomly stamp stars all over the two smaller scored sections of the base card. Using a 1 or 1- $\frac{1}{2}$ " circle punch, punch a portion of a circle on the outside edge with the smallest score section. Place adhesive on the top and bottom edges of the smallest score section and fold it in toward the center score line to create a little pocket for the gift card. Use the small star and stamp additional stars on the base card.
2. Build the scene for the penguin. Stamp the hill image in Pool Party ink across the center of the panel. Stamp trees using the Granny Apple Green ink pad, stamping twice before re-inking to get light and dark trees. Stamp the sentiment using Real Red ink.
3. Stamp the penguin in Basic Gray ink on the scrap and punch him out using the Penguin punch. Add his feet in Basic Gray ink. Stamp his nose in Pumpkin Pie ink. Stamp the scarf in Real Red ink on the scrap and fussy cut this out with scissors, making sure to cut right along the edge of the color. Glue the scarf to the penguin's neck with Multipurpose adhesive or tape runner.
4. Place the Penguin onto the scene panel and use him to gauge where to stamp the antlers using Soft Suede ink. Using dimensional adhesive, pop the penguin up off the front of the card panel
